Challenging Ourselves

To reach any kind of success in life, we must strive to do our best. This requires challenging ourselves to our limit - physically, mentally, and creatively.

Foreword

More responsibilities are being entrusted to young people than ever before. Becoming concerned and involved, we openly voice our opinions on the ecology issue, the war in Vietnam, and the materialistic standards of preceeding generations.

While we are concerned with the problems outside of LHS, our immediate world is filled with learning, activities, and friends.

Searching for Answers

Our scope of learning ranges from searching for answers about our environment to others and ourselves. Through our associations with teachers and other students in and outside classroom activities, we find the answers to our most trivial and important questions.

RIGHT: Roger Grammon discovers the library offers adequate information for his English III research paper.
BELOW: Sometimes students cooperate in searching for answers as Dawn Hanke and Janell Lappin are doing in Algebra II.
BOTTOM: It seems easier for English IV students to interpret "Paradise Lost" when they form a casual circle on the floor.

ABOVE: Beth Bernard welcomes help from counselor, Phil Altman, in interpreting her scores on the Ohio Vocational Interest Survey.

Demonstrating Our Concern

Although apathy is affecting the attitudes of many, the trend at LHS is turning to demonstrating our concern for others. Showing interest in others has become routine at LHS, regardless of the importance of the situation. Many classes and organizations stress the essence of lending a helping hand.

RIGHT: Students often use the library before school to help one another with their assignments. Paula Romjue receives help on a Biology assignment from Nancy Zink.

Facing Tomorrow

Whatever our future plans include - a job, vo-tech school or college - the main purpose of education is to prepare us for that future. We prepare ourselves for this tomorrow in high school by gaining knowledge, developing our skills, and learning to associate with others. For just as education is a part of life, so too, life is a part of education.

Learning

Every day, students learn something new ... sometimes from books ... sometimes from experience ... sometimes from people. How students acquire knowledge makes no difference. How they use it is most important.

Art and Music Cultivate Talent

LHS students are able to cultivate their fine art talents through course work in band, chorus, music theory and art.

The library is the center for fine arts material, as well as solid course study material, containing more than 3300 fiction and non-fiction books and 52 periodicals.

Physical Education, Social Science Exercise Mind and Body

LHS students fulfill the physical education requirement by enrolling in freshman health and physical education class. Mr. Karl Skinner teaches the girls' section and Mr. Robert Sebbert the boys'. A second unit of physical education called Advanced P.E. is offered by Mr. Ken Hanson for upperclassmen.

Several units in the social science field are offered at LHS. Among these are American History and American Government taught by Mr. Hanson, economics and general business taught by Mr. Getty, and sociology-psychology taught by Mrs. Getty.

Math, Science Challenge Student's Reasoning

Eleven units of mathematics and science are offered at LHS. Earth science, biology, chemistry and advanced biology are the science lab courses available to students. Biology is required of all sophomores, while the other courses are elective. Miss LaRue teaches the science courses.

Mr. Simoneau teaches practical mathematics, Algebra I and II, geometry, and advanced mathematics. One unit of mathematics is required of all students to graduate.

Physics, a combined math and science course, and general math are taught by the school counselor, Mr. Altman.

Vocational Courses Offer Practical Experience

The LHS curriculum offers sixteen units of vocationally oriented course-work in the areas of home economics, industrial arts, and commerce.

Home economics classes, taught by Mrs. Worcester, gives girls a chance to gain practical experience in the different areas of homemaking.

Shop courses, under the instruction of Mr. Thomas and Mr. Sebbert, teach students useful skills in metals and woods, regardless of whether the student plans to enter that vocational field. Serving his first year on the LHS faculty, Mr. Robert Sebbert teaches all wood shop courses and is head basketball coach. He is a 1962 graduate of Kansas State Teachers College of Emporia, Kansas.

Mrs. Thomas offers students an introduction to the world of business and communications through typing, bookkeeping, business law and publication classes.

Language Arts Classes Aid Communication

LHS students learn to bridge the communication gap by giving speeches and learning how to express themselves not only in English but also in a foreign language.

Speech class gives the students an opportunity to receive helpful criticism that will aid them in later real life situations. English and Spanish classes broaden knowledge in various phases of communication.

Administrative Decisions Rest With Board of Education, Administration

Mr. Paul Jones, a graduate of the University of Kansas in Lawrence, served his third year as Superintendent of USD #326. Mr. Jones and the seven school board members act as the governing body in actions of USD #326. Mr. Jones assists and is directly responsible to the board in all administrative decisions.

The administrative board meets once a month to carry on regular business of the district and to hear requests from parents, faculty, and students. Regular board meetings are open to the public and interested patrons are urged to attend.

RIGHT: Serving as secretary to Mr. Jones, clerk of the Board, and bookkeeper for the school district are a few of the responsibilities that keep Mrs. Avice Stanton busy.

Mr. Don Gleason, a 17 year veteran in education, served his second year as principal at LHS this term. He is a graduate of Fort Hays Kansas State College at Hays, Kansas, holding a Master's Degree in Administration.

Mr. Gleason's job as principal keeps him busy. He is advisor to the student council, keeps attendance records, must approve all student organization activities, and is in charge of enrollment procedures and curriculum offerings.

Mr. Gleason is the liaison official between the high school faculty and the superintendent's office. He is in charge of the entire operation of the high school building.

In his "off duty" hours, Mr. Gleason enjoys boating and fishing with his wife, Jan, and three sons, Randy, Rick, and John.

LEFT: Thelma Bushnell's duties as high school secretary include making announcements over the intercom.

Involvement

"Footprints on the sands of time are not made by sitting down." To accomplish anything requires involvement. Whether it be a I at state festival, a scholarship for college, that long awaited diploma, or simply self-satisfaction. Rewards come only to the students who involve themselves.

Marla, Larry Reign Over Winter Formal

Larry Pakkebier and Marla Harmon were named Mr. and Miss LHS for 1971-72 at the Christmas Formal Saturday, December 18, 1971, in the Logan City Building.

Marla, daughter of Mr. and Mrs. Duane Harmon, keeps up a family tradition being the fourth Harmon to hold the royal position. Marla has been active in high school serving as cheerleader, on Student Council, in Kayettes and on Kayette Board, and in Pep Club.

Larry is the son of Mr. and Mrs. Henry Pakkebier, Jr. of Prairie View. He has been active in football, basketball, track, Letterman Club, and on Student Council during his four years at LHS.

Christmas Formal Theme Proclaims 'Joy to the World'

Student Council hosted the annual Christmas Formal Saturday, December 18, 1972, in the Logan City Building. The theme "Joy to the World" was carried out with decoration and musical selections.

Robin Donahey and Steve McCue acted as emcees for the evening. Dr. A. B. Limes counted the ballots and announced the winners of the Mr. and Miss LHS contest.

Paula Atkinson, Kate Rundle, Rex Donahey and Gregg Gartrell provided entertainment by singing "A New World Coming" and Cindy Forssberg played "The Christmas Song" on the piano at the request of the royal candidates.

"Fyre", a rock combo from Hays, provided the music for the dance following the coronation.

Juniors, Seniors Present Two-Act Comedy

With only nineteen days for preparation, junior and senior class members presented "The Egg and I," by Betty MacDonald, Friday, November 19, 1971.

Steve Atkinson and his sister, Paula, played Don and Betty MacDonald, parents of two teenage daughters, Joan and Anne.

In the two-act comedy, Don MacDonald spent their last cent buying a chicken farm and his wife, Betty, and two daughters think they will never adjust to farm life.

Joan, portrayed by Lois Erickson, finds a boy shortage and food bountiful in the country. Amy Jansonius played Anne, also had her share of boy problems.

Things gradually go down hill until Primrose, Anne's prize winning laying hen, determines the destination of the MacDonald farm when she wins first prize at the county fair.

Students Express Themselves Through Speech and Drama

Eight LHS students, coached by Mrs. Audrey Getty, took part in the Cheyenne Conference and regional speech and drama festivals, earning three I ratings and three II ratings at league. Nancy Zink and Randy Allen received a I at the league festival and were awarded a III at the regional contest with their duet acting. Robert Noone earned a I on his interpretation of prose and Amy Jansonius received a I on her poetry interpretation in league competition.

The other three entries at league (Deb Henrickson-interpretation of poetry, ElWynn Jansonius and Robin Donahey-duet acting, and Vonda Gingles-interpretation of prose) were awarded II's.

At the regional festival at Colby, Deb and Amy earned II's and Nancy and Randy, Robin and ElWynn, Robert and Vonda were given III's.

Marching Band Performs at Hays, Kirwin

The first performance of the LHS marching band was the annual Old Settler's Day Parade at Kirwin.

The marching unit also participated in the Fort Hays Band Day, November 6, where they received a II+ rating. An added attraction to this year's high-stepping team was flag carriers. The flag carriers, Amy Jansonius, Cindy Forsberg, Lisa Bushnell, Debra Baker, Lois Erickson, Marla Harmon, and Janell Lappin, were dressed in brown hot pants, brown boots, and white blouses.

The board of education approved a purchase requisition for new marching and concert uniforms for the 72-73 term. The new uniforms feature a red satin-like blouse, black tuxedo-style pants, white sash, and a white shako hat with a red feather plume. Included with the new uniforms is a white drum major uniform and six red majorette outfits.

Concert Band Rates High at State Contest

The concert band, directed by Charles Rouse, earned a I and two I- ratings along with a I in sight reading at the State Music Contest, Friday, April 21, at Colby. The 56 musicians also performed at the annual Spring Concert and participated in the Cheyenne Conference band clinic.

Sandra Pakkebier's trumpet solo, woodwind quintet, brass choir, trumpet trio, flute quartet (Deb Henrickson, Amy Jansonius, Kathy Jones, Teresa Gaiser), and clarinet choir, consisting of all B-flat clarinets, bass clarinets, alto clarinet and contrabass clarinet, were awarded I ratings at the music contest. A II rating was given to Paula Romjue on her clarinet solo and to the sax sextet (Anita Orr, Deb Hanke, Susan Gartrell, Tami Pearson, Wanda Bennett, and Shirley Rundle.)

Concert Choir Performs Six Times During Year

The LHS choir, under the direction of Charles Rouse, consisted of 65 students. Accompanied by Deborah Henrickson, the mass choir was awarded the only I given in IA competition at the State Music Contest at Colby, Friday, April 21. The vocal group was also involved in the USO Floor Show, a Christmas Program, World Day of Prayer, Spring concert, and the Cheyenne Conference choir clinic. The Girls' Glee, numbering 44 also earned a I at Colby. The mexed ensemble received a III rating on "The Cricket" at state contest.

Local Organizations Select Girl, Boy Staters

Lisa Bushnell and Shirley Rundle were chosen by the Logan American Legion Auxiliary to represent LHS at Girls' State. The auxiliary selected the girls on the basis of certain qualifications including a definite interest in government, outstanding qualities of leadership, honesty, courage, average or above average scholastic record, and physical fitness. The girls must be a junior living within the school district.

Marlene Pflieger served as Lisa's alternate and Wanda Rupke was elected as an alternate for Shirley.

Brad Gaiser, sponsored by the Knights of Columbus and Masonic Lodge, and Rex Donahey, who was sponsored by the American Legion, were the delegates for Boys' State.

Robert Noone was selected as an alternate for Brad and Gregg Gartrell was Rex's alternate.

'Colour My World' Reflected Through Pastel Decorations

After months of planning and work, the juniors honored the senior class with "Colour My World" Saturday, May 6, at the Logan City Building.

After the meal, the traditional dance followed but with a noticeable change. Instead of a stageband, the music was provided by disc jockey Kevin Craig from KAYS radio station at Hays. He played records and tapes and entertained with jokes.

Seniors Receive Home Economics, Music Honors

Marla Harmon was awarded the Crisco Homemaking Award at the annual PTO style show. Marla was selected by the home economics students, who based their selection on her display of cooperation, enthusiasm, creativity, and helpfulness throughout the year. Lois Erickson was recognized as the LHS recipient of the Betty Crocker Award. Lois won this honor by scoring highest of the LHS senior girls who took the state-wide written knowledge and aptitude test.

Mr. Charles Rouse, music instructor, presented two music awards at the Class Night activities. Amy Jansonius was awarded the John Phillip Sousa Award for her outstanding instrumental performance during high school. Deborah Henrickson received the Outstanding Senior Musician Award. This award is based upon her four years performance in band and choir.

Scholastic Achievements Recognized

Amy Jansonius, having the highest grade point average over her four years of high school, was named as Valedictorian and Dawn Hanke as honored as Salutatorian of the class of 1972.

Randy Allen and Deborah Henrickson were given $125 scholarships, and $250 scholarships were awarded to Carol McDonald, Gail Hill, and Shirley Hutchinson by the Phillips County Scholarship Foundation. The foundation strives to encourage young people from Phillips County to obtain advanced education or vocational technical training.

A Hansen Foundation Scholarship was awarded to Shirley Hutchinson at the commencement exercises.

Seniors Reach New Beginning

Having fulfilled all the requirements set forth by the State Board of Education, the graduates of 1972 received their diplomas during the commencement exercises, May 22. The class, numbering 30, chose "Tomorrow is Ours" for their motto and sang "Everything is Beautiful" during the commencement program.

Competition

Excelling is a personal thing ... sometimes accomplished individually ... sometimes within a group ... nonetheless personal and dependent upon competitive motivation.

Trojans Place Fourth in League Football

The Trojan grid team finished in fourth place in Cheyenne Conference standings during the 1971 season, compiling a 4-3 league record. Ransom took the league championship with an impressive 7-0 league mark. Quinter was in second place with a 6-1 and Lenora won 5 and lost 2 for third place.

Falling to the Atwood Buffaloes, a powerful Northwest Kansas League team, in the season opener and then losing the Ransom and Lenora games, the Trojans made a mid-season comeback by downing Jennings, 30-14 on October 1. After another conference loss to Quinter the following week, Logan was touched with the victory fever and won the final three league contests. After squeaking past Natoma, 28-22, with a TD in the closing seconds, the Trojans went on to down Kensington and Northern Valley. Their bid to upset the eventual 2A State Champions, Stockton, fell short with a 53-12 loss to the Tigers, completing the season record at 4-5.

Head Coach, Ken Hanson, felt the mid-season comeback displayed a great deal of Trojan pride. He commented, "New faces in the line-up and some changes in positions made the first few games very difficult. I was extremely proud of the boys the way they came back after losing the first three games."

Larry Thomas and Bob Sebbert assisted Coach Hanson on the Trojan coaching staff.

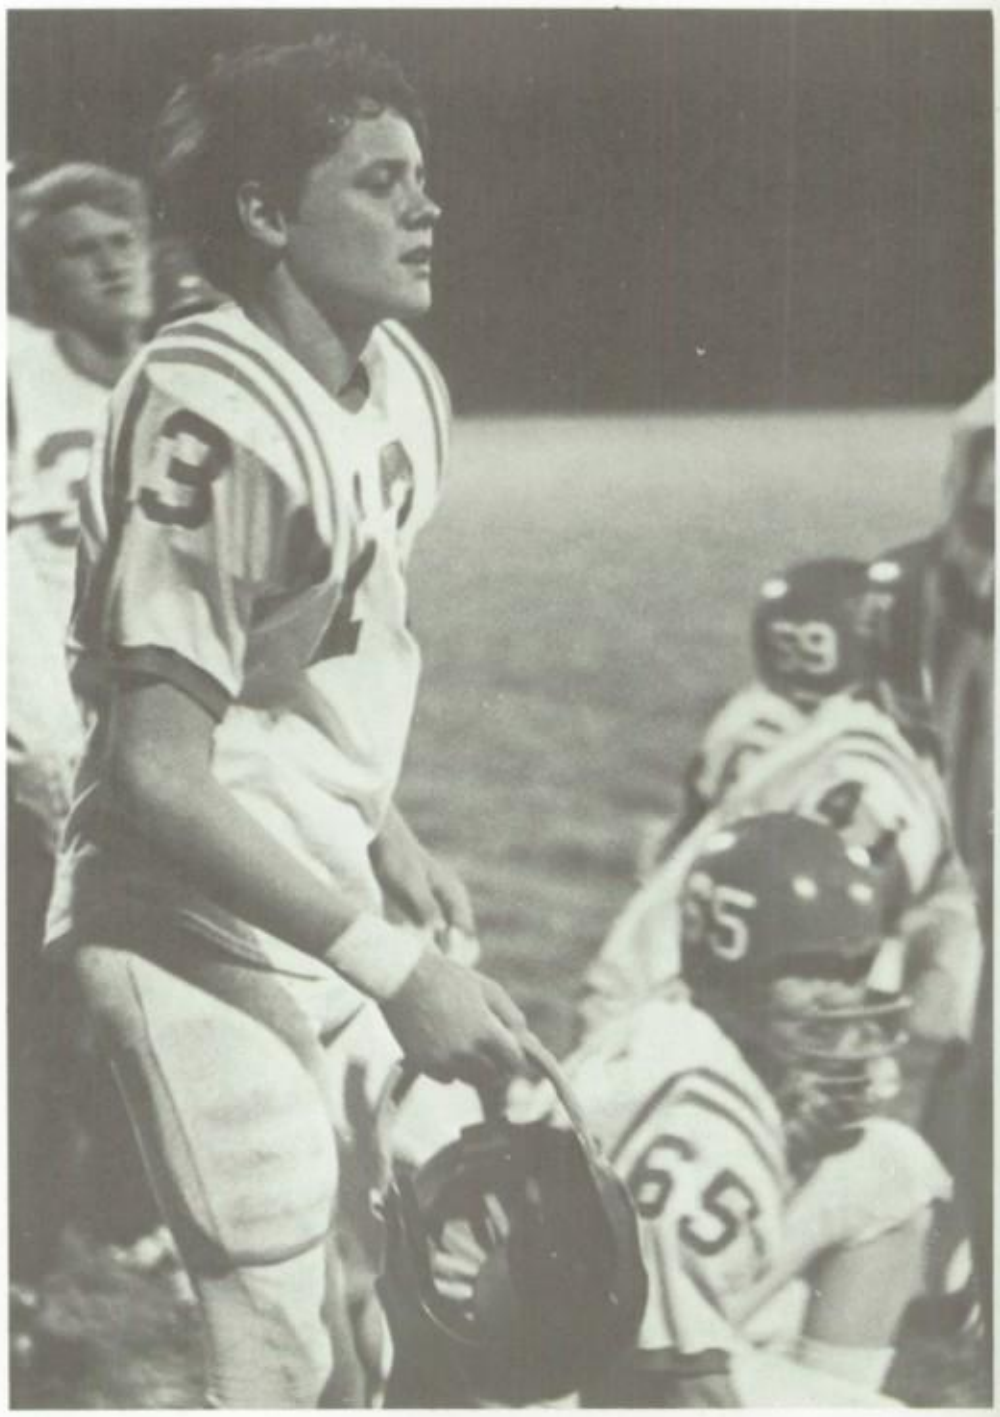
Grid Team Makes Mid-Season Comeback

Led by eleven seniors and eleven returning lettermen, the Trojan grid roster numbered thirty-three. Although some deemed the season disappointing, others felt they had reached and accomplished their goals. Throughout the season, the team and its supporters met the competition with fresh and enthusiastic vitality.



RIGHT: Tony Richardson takes a moment to seriously examine the opponent's tactics. BELOW: A crowd of young admirers stand at the Trojan bench with eyes transfixed on Brad Post, senior lineman.

Logan Rounds Out Grid Season With 4-5 Record

Although the Trojans failed to place a player on the all-league first team, eight honorable mention positions were earned. Those earning positions were Larry Pakkebier, senior offensive end; Rex Donahey, junior offensive guard, Rod Boys, freshman center; Dick Breese, junior offensive back and defensive tackle; Brad Post, senior defensive tackle; Ronnie Nichol, senior defensive guard and Jim Baird, junior punter.

Cagers Compete in District, Regional Play

The Trojan basketball team, coached by Bob Sebbert and Ken Hanson, completed a successful 16-8 cage season with a third place trophy in the 1-A regional tournament at Goodland. Logan tied with Kensington for third place honors in Cheyenne Conference standings with a 4-3 record.

Logan lost league contests to the conference champs, Quinter, and to Ransom and Jennings. The Trojans earned a second place berth in the league tournament at Northern Valley by downing Jennings in the elimination game and Lenora in the semi-finals. They lost to Quinter, 65-42, in the championship game.

The Trojans placed three players on the Cheyenne Conference team. Jim Baird and Larry Pakkebier earned first team honors and Mick Lafferty was named to the honorable mention list.

B-Team, Freshmen Gain Experience

Although the 1971-72 season was disappointing to the B-team, the younger players gained valuable experience. The B-squad completed the season with a 3-13 mark.

The freshmen team participated in several freshmen games before B-team action began.

Thinclads Place Second in League Meet

The Trojan track team earned 64 medals and took second in the Cheyenne Conference track meet. Coached by Ken Hanson and Bob Sebbert, the LHS tracksters competed in 13 meets including regional and state.

At the Cheyenne Conference meet the Trojans earned 45 points and set a new league record in the discus throw.

The medley relay team, Rex Smith, and Dick Breese participated in the state track meet at Wichita, earning five fourth place medals.

RIGHT: Rodger Van Loenen hands the baton to Phil Jansonius during the preliminaries of the medley relay event at state meet in Wichita. The relay team finished in 3:40.8 for fourth. Joining

Organization projects, parties, and meetings fill each student's schedule. Students participate in these organizations by voluntarily spending their "spare" time to earn money for the Christmas Formal, play bingo at the rest home, work late hours on the annual, or support the Trojans. The amount of participation places the value upon the organization.

Student Council Changes Dress Code

Student Council, the governing body of the students, consists of a boy and girl representative from each class. Its purpose is to better the teacher-student relationship, promote school spirit, and suggest new ideas for a better school system.

This year, under the leadership of ElWynn Jansonius, the council revised the dress code and raised money to sponsor the annual Christmas Formal. A few of their money-making projects were selling candy bars and pop at noon, hauling trash, and taking charge of several ballgame concessions. An all-school party, held at the end of the school year, was also sponsored by StuCo.

Seven New Members Added to NHS

I pledge to maintain my high scholastic standing,
To hold as fundamental and worthy
An untarnished character,
To endeavor intelligently and courageously
To be a leader,
And to give of myself freely in service to others.

This pledge, on which the National Honor Society was founded 51 years ago, provides guidelines for the faculty to select new members for the organization. The Logan chapter, charted in 1968, has a present roll of twenty-eight members.

LEFT: Linda Van Loenen, a graduate member of NHS, challenges the newly initiated NHS members and student body to set a goal and aim to achieve it. BELOW: Debbie Henrickson administers the NHS oath to new members Dawn Hanke, Carol McDonald, Rex Donahey, Shirley Rundle, Gregg Gartrell, Brad Gaiser, and Janell Lappin.

Pep Club Activates New Ideas

Pep Club, headed by Shirley Hutchinson, supported the Trojan athletes during the football, basketball and track seasons. Aside from their vocal support at games and meets, the pep club members boosted the Trojans with hall signs, chants throughtout the day, parties and dances.

The club earned money with a rummage sale in the fall to finance ASP (all school party). The party, consisting of a weiner roast, snake dance, down-town pep rally, burning of the dummy and

a sock hop in the lunchroom, served as a kick-off party for the opening of football season.

Selecting a Trojan of the month was another project that Pep Club founded during the school year. Pep Club members nominated and elected the Trojans of the month on a basis of leadership in academic and extra-curricular activities.

OPPOSITE PAGE TOP: With the help of townspeople and other LHS boosters, Pep Club gives the basketball team continued support throughout the season. Letterman Club Buys Track Warm-Ups

The letterman Club, an organization of athletes who have lettered in one or more of the three sports offered at LHS, was sponsored by Mr. Hanson and Mr. Sebbert. The organization gives recognition to those who have lettered and provided service to the athletic department and school.

This year the lettermen appropriated their funds to pay for six new track warm-ups.

Kayette Club Involves Girls in Service

Serving school, community, nation and world has been the goal of Kayettes since their birth 25 years ago.

The LHS Kayette club, led by president, Carol McDonald, bolstered the Christmas, Thanksgiving, and Easter spirit with special programs for the entire school. The girls' club also sponsored recreation with a soccer game and hobo day.

Annual Banquet Expresses Appreciation of Mothers

Betty Sell, a former Logan Kayette president, was guest speaker at the Mother-Daughter Banquet Tuesday, May 9, at the Logan City Building. Kayettes showed appreciation for their mothers through the banquet theme "A Mother for All Seasons."

Kate Rundle, Amy Jansonius and Paula Atkinson provided entertainment at the banquet. Kate and Amy presented readings and Paula sang "Try to Remember."

Freshman boys served the meal which was prepared by the Ladies Guild of the St. John's Catholic Church in Logan. Installation of 1972-73 officers followed the banquet.

Summer Workshop Helpful to '72 Staff

Many people, who helped complete the 1972 Trojan, deserve a big thanks. The section editors and their assistants, who put in many long "after hours" to meet deadlines, Shirley Rundle, asst. editor; Carol McDonald, business manager; Nancy Zink, photographer; and copy editor, Shirley Hutchinson, who wrote headlines, cutlines, and copy for the 1972 book.

Our adviser, Mrs. Thomas, deserves a special thanks for all her help and patience.

And to you, the LHS students, thanks for making this book possible.

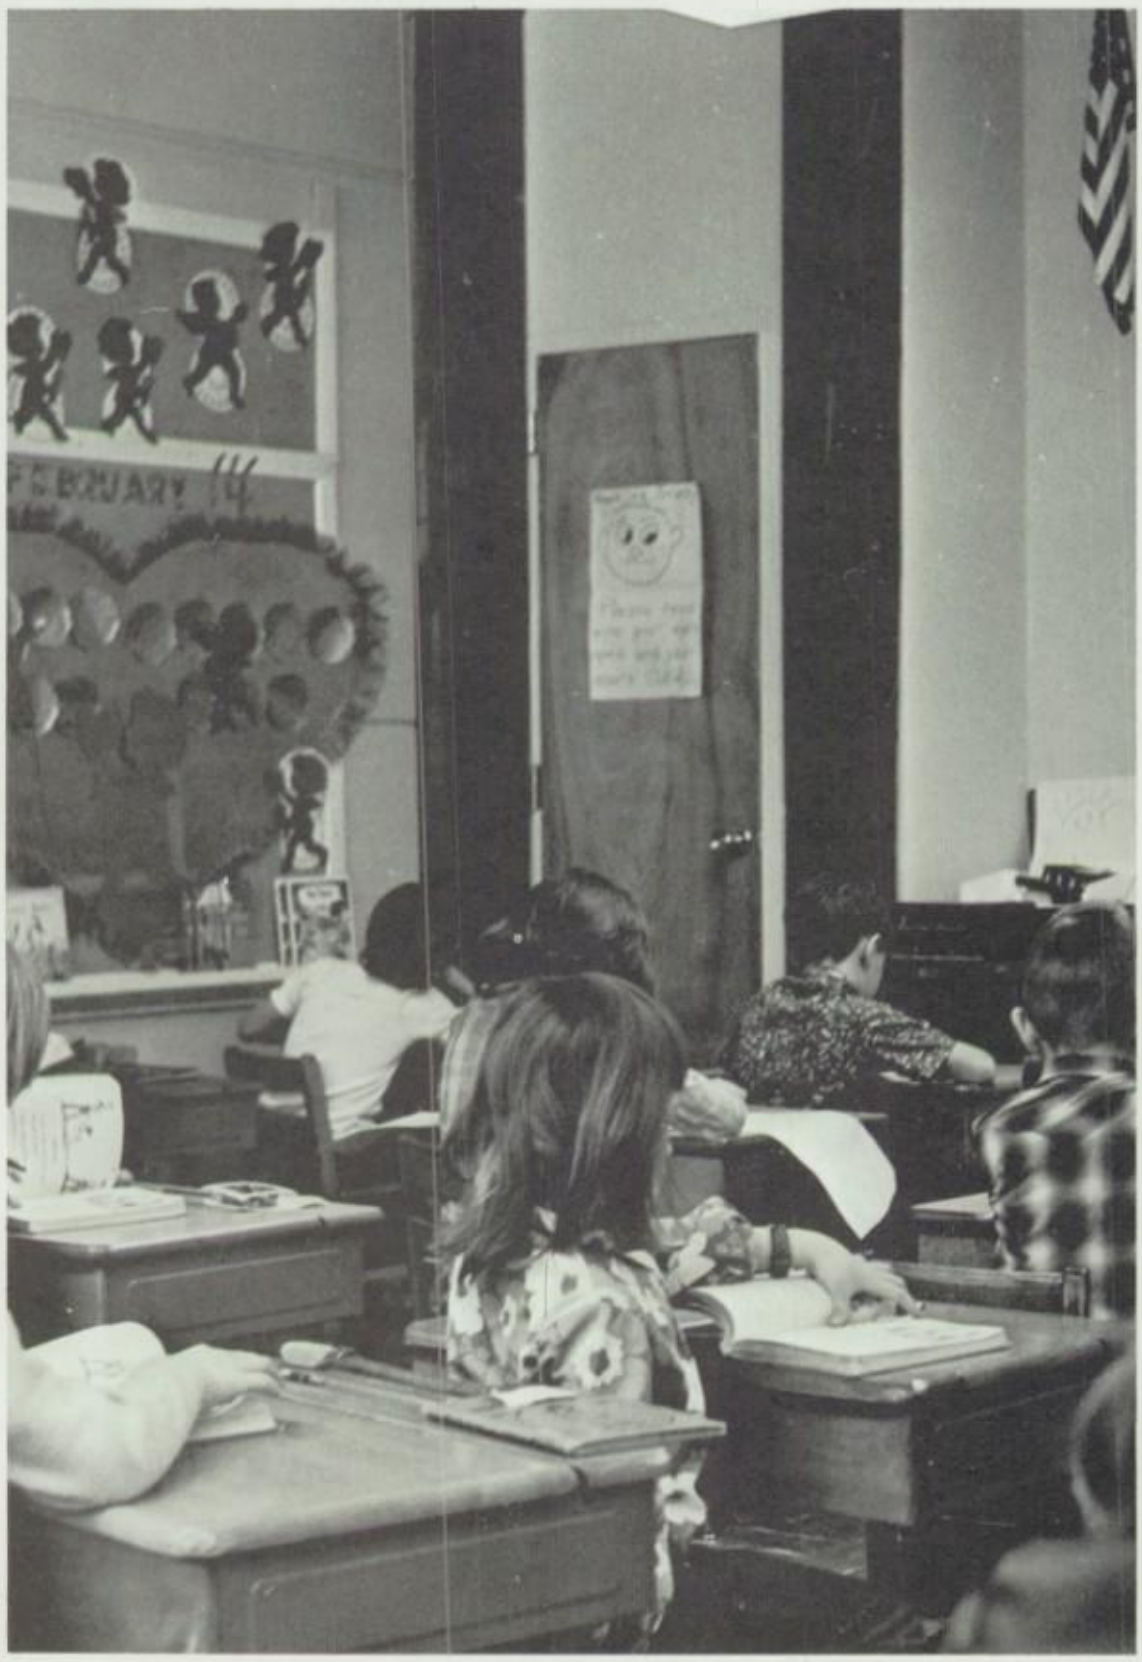
Mr. Gleason explains to freshmen the precedure they must follow if they choose to buy their school pictures.



Youngsters

Days of memorizing the alphabet and tackling addition problems turns to dissecting worms and learning about adjectives during the first years of school. These years are vital, because they are the foundation for each student's future.

RIGHT: Kindergarten students scramble for treats that fell from the broken Pinata made by and presented to the class by Spanish I students.

Friends

"There is no man so poor that he is not rich if he has a friend." LHS students appreciate those friends who faithfully support the activities - whether it be a yearbook, concert, or ballgame. This makes our efforts worthwhile.

The Trojan staff would like to thank our friends, the advertizers, for making this book possible.

This is a portion of the Coop's recently completed $65,000 feed mill. Included in the project is a BJ horizontal mixed, eight 16-ton ingredient bins and four 8-ton loadout bins, a new roller mill and a new leg.

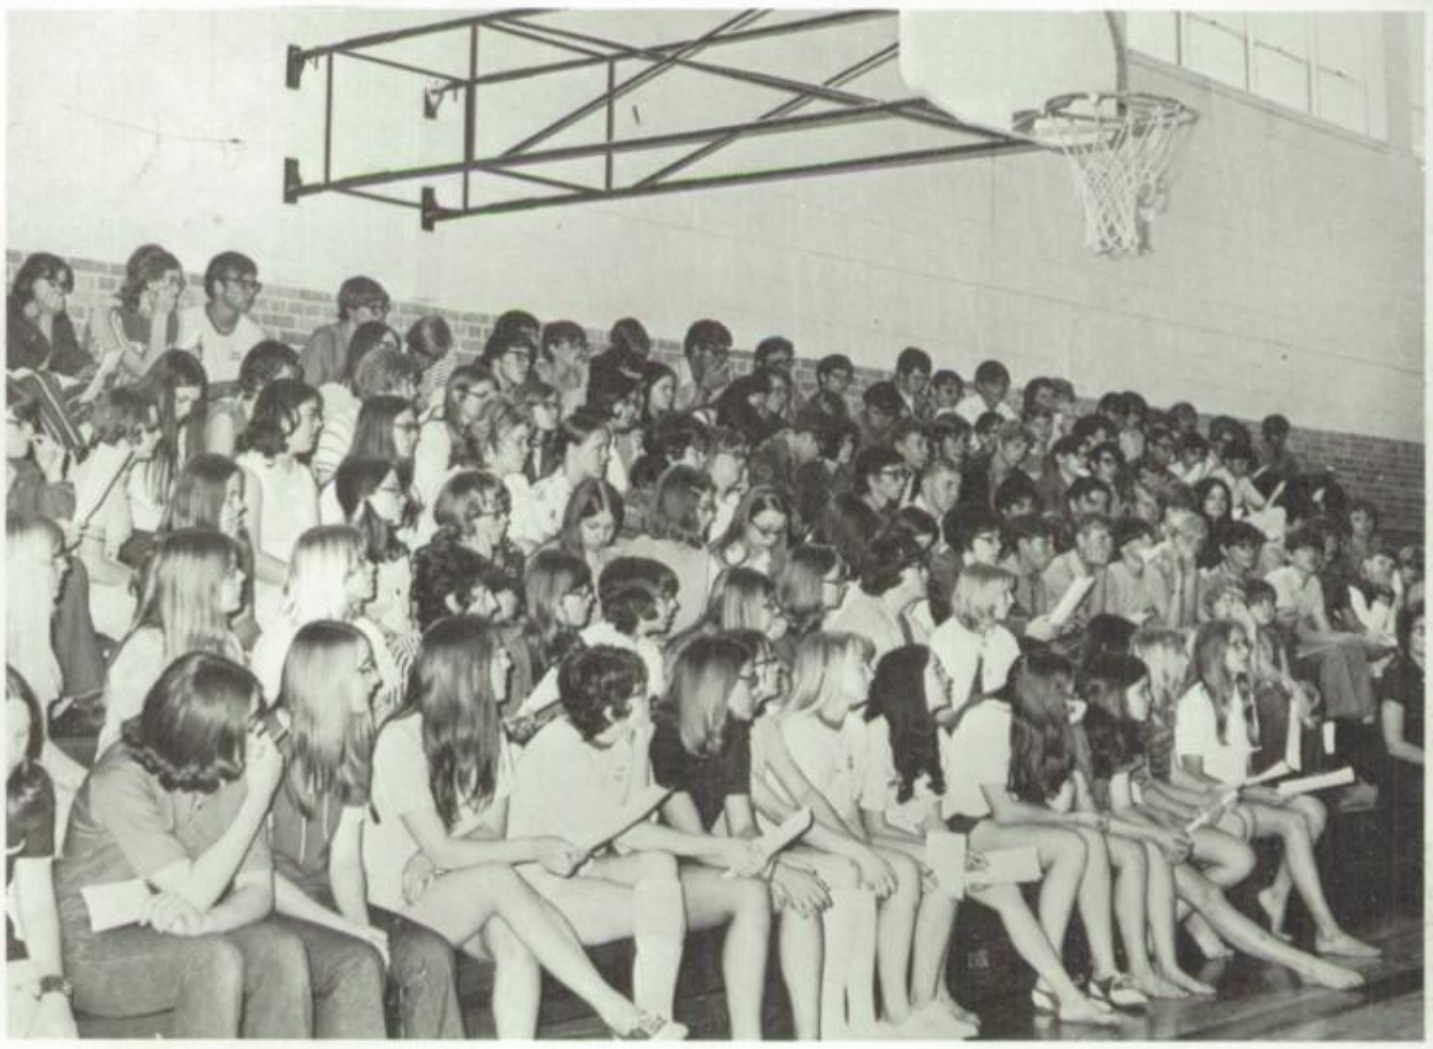
Dick Breese discusses the discus event with other league tracksters at league meet as Tom Noel prepares for a toss of the discus.

We came alone
but one in a sea
of the faceless many
and we found ourselves
as one . . .



Watch
for we shall someday be men
and we will call a world ours,
a world of tomorrow
built on the dreams of
yesterday

We look ahead
yet never forgetting
where we have been
striving forward
to that something
on the other
side . . .
on the
other side
. . .
